Cylinder fire feature shown in Sandstone finish with glass surround

Built to Last — Every Season

- Crafted from non-corrosive, marine-grade aluminum that stands up to sun, snow, and coastal environments
- High-performance powder-coat and architectural finishes stay flawless year after year
- Unlike heavy precast concrete or composite, ORE fire features won't crack or chip, even in extreme climates

Smarter by Design

- Lightweight yet sturdy — installs easily, no cranes or heavy equipment needed
- Pilotless ignition systems mean safe, quick, and reliable flames every time
- Customize dimensions, finishes, and features — or collaborate with our design team to create a fully custom fire feature built for your vision
- Add premium options like granite tops, glass surrounds, timers, and shut-offs for a tailored setup

Easy to Own, Easy to Enjoy

- Quick delivery and simple setup for minimal hassle
- Backed by 3- and 5-year finish warranties
- Designed for effortless long-term use — no off-season worries

Custom Without Compromise

- Choose from a wide range of sizes, shapes, and styles
- Handmade in the U.S. with precise craftsmanship and premium materials
- Every piece is built to your exact vision — elegant, functional, and entirely yours

Sustainable Strength

- 100% recyclable materials — beauty that's better for the planet
- Engineered for four-season durability
- Designed to last decades, not just seasons

ARCHITECTURAL FINISHES

Refined. Resilient. Architectural-grade.

Our Architectural finish is built on a super-durable polyester platform that meets AAMA 2604 standards — the same used on stadiums, façades, and light fixtures worldwide. Designed for outdoor environments, it resists fading, corrosion, and harsh weather for years of clean, modern appeal.

As with all finishes, slight variation in color, tone, gloss, and texture may occur.

(5-year finish warranty)

ALLOY FINISHES

The strength of metal, the ease of modern coatings.

Alloy Finishes capture the visual depth of raw aluminum and steel through subtle metallic tones and a soft, satin sheen. The result is a timeless, industrial aesthetic — durable, low-maintenance, and built to handle every season.

As with all finishes, slight variation in color, tone, gloss, and texture may occur.

(3-year finish warranty)

ART FINISHES

The timeless look of patina — without the upkeep.

Our proprietary Art Finishes recreate the beauty of natural zinc, lead, bronzed and aged stainless steel patinas — the layered textures, soft sheen, and nuanced tones — with the long-term stability of a protective coating. Each piece is tested to AAMA 2604 architectural standards for color, gloss, and UV resistance, ensuring it looks just as rich years from now as the day it was made.

Note: Subtle variation is part of the hand-applied process and is intentionally preserved for authenticity.

PATINA FINISHES

Alive. Evolving. Uniquely yours.

ORE's Natural Patinas are living finishes — a hand-applied, multistep process by trained artisans create tones and textures that continue to evolve with sunlight, rain, and time. While they will have the same tone and look, no two are ever alike. As the finish matures, it naturally develops depth and warmth, forming a true dialogue with its environment.

Patina finishes are not painted or sealed; their natural evolution is part of the intended design. Handle with care, allow the surface to breathe, and expect a finish that becomes more beautiful with every season.

(Finish naturally evolves; not covered under finish warranty)

Oxidized Zinc Patina

Natural Rust Patina

Soft greys and layered texture capture the timeless look of aged zinc and lead — rich, refined, and ever-changing. Each piece develops unique depth and tone as it interacts naturally with its surroundings.

Warm, earthy tones form and deepen across the surface, creating a living finish that tells its own story with every season. No two are ever alike — each evolves into a one-of-a-kind patina shaped by nature.

Our living finishes are designed to evolve gracefully — transforming with time, touch, and the elements for surfaces that tell their own story.

FIRE FEATURE OPTIONS

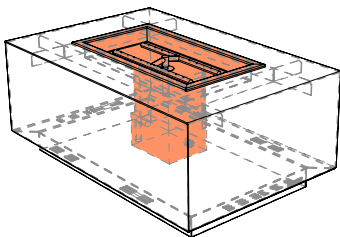

FIRE FEATURE OPTIONS

IGNITION + ACCESSORY OPTIONS

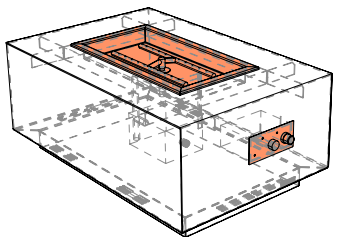

MATCH LIT BURNER:
(Natural Gas or Liquid Propane)

Simple. Reliable. Classic.
Light your fire with a turn of the key and a match — no electricity required. Includes all fittings, hose, and pre-installed gas kit for fast setup.

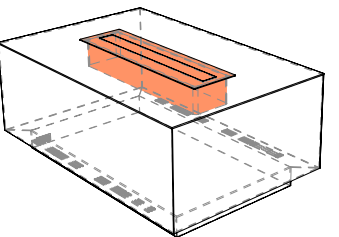

ELECTRONIC IGNITION:
(Natural Gas or Liquid Propane)

Smart, safe, and effortless.
Push a button or flip a switch to start your flame. Automatically reignites if winds blow it out. Requires a 120 V connection — remote options available.

PUSH BUTTON IGNITION:
(Natural Gas or Liquid Propane)

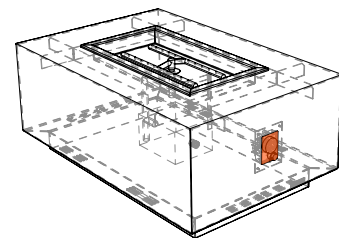

One touch and you're lit.
A battery-powered spark ignition gives you instant flame without wiring or fuss.

ECOSMART:
(Ethanol)

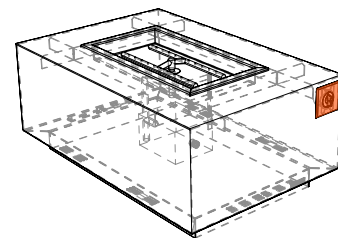

Clean burning, smoke-free warmth.
Fueled by bio-ethanol — no ash, no gas lines, no mess. Made with durable stainless steel for lasting performance indoors or out.

EMERGENCY STOPS + TIMER OPTIONS

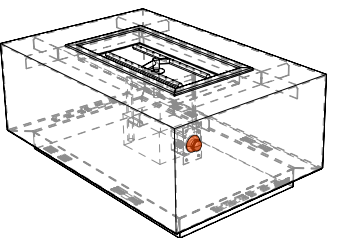

MECHANICAL E-STOP/TIMER:

Simple, dependable control.
Keep things easy with a manual one-hour timer — no wiring required. Perfect for both residential and commercial installations where simplicity and reliability matter.

ELECTRONIC IGNITION TIMER:

Streamlined function meets seamless design.
Control your fire feature for up to 60 minutes of operation with a matching faceplate that complements your chosen finish. Mount directly on your fire feature or a remote ORE bollard for convenience and style.

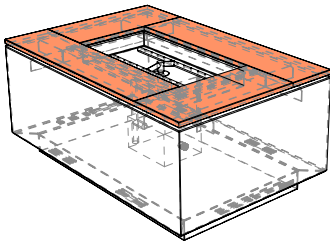

EMERGENCY SHUT OFF:

Instant peace of mind.
Quickly and safely stop gas flow with a flush-mounted E-stop. Mount it directly on your fire feature or place it remotely on a coordinating ORE bollard — safety that doesn't sacrifice design.

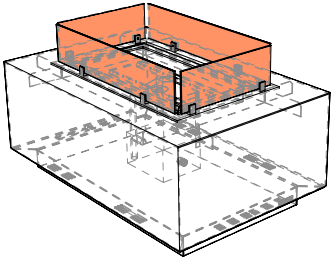

FIRE FEATURE OPTIONS

DESIGN DETAILS + UPGRADES

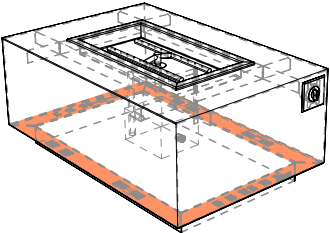

BLACK GRANITE TOP:

A bold, timeless upgrade.
3/4" honed black granite with a refined 3/8" reveal. Available for most fire features — the ultimate finishing touch.

GLASS SURROUND:

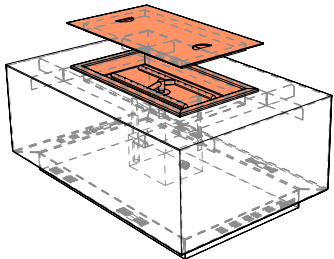

Function meets flair.
Glass panels framed in machined aluminum keep flames protected while adding a modern architectural edge.

LED TOE KICK LIGHTING:

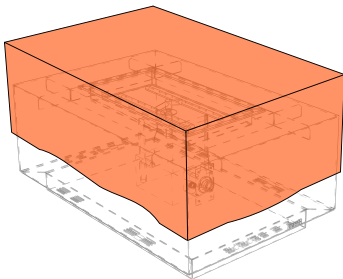

Subtle glow, big impact.
Low-voltage LED lighting transforms your fire feature into a nighttime centerpiece.

COVERINGS

LID:

Protect and perfect your feature.
Choose a flush lid for glass media or a raised lid for lava rock. Both add surface space and shield your burner from rain and snow.

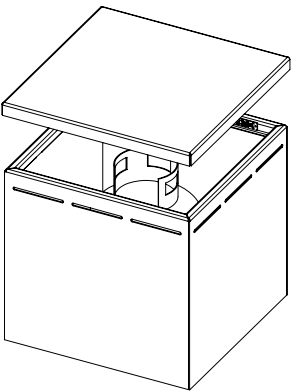

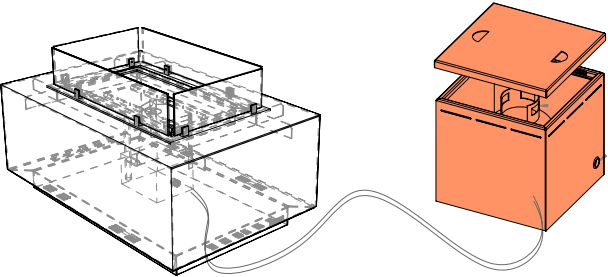

CUSTOM VINYL COVERING:

Protect your investment.
Durable, UV-resistant, waterproof vinyl cover with venting and a hidden drawstring — made to fit perfectly, season after season.

20 LB. PROPANE TANK ENCLOSURE

Model 4100 | 41 lbs. Aluminum | 109 lbs. Steel

Form meets function.
Conceals your propane tank inside a beautifully finished aluminum enclosure that matches your fire feature. Meets all CSA/ANSI safety standards.

PREDESIGN CUSTOMIZATION

Start with a favorite. Make it yours.

Our most popular designs, from Linear Fire Pits to Formed Fire Block, are made to adapt. Choose your size, finish, and features to match your project perfectly.

Options include:

- Tailor dimensions, burners, surrounds, or accessories.
- Select from our architectural finishes or specify your own.
- Maintain the trusted ORE design language while refining the details to suit your space.

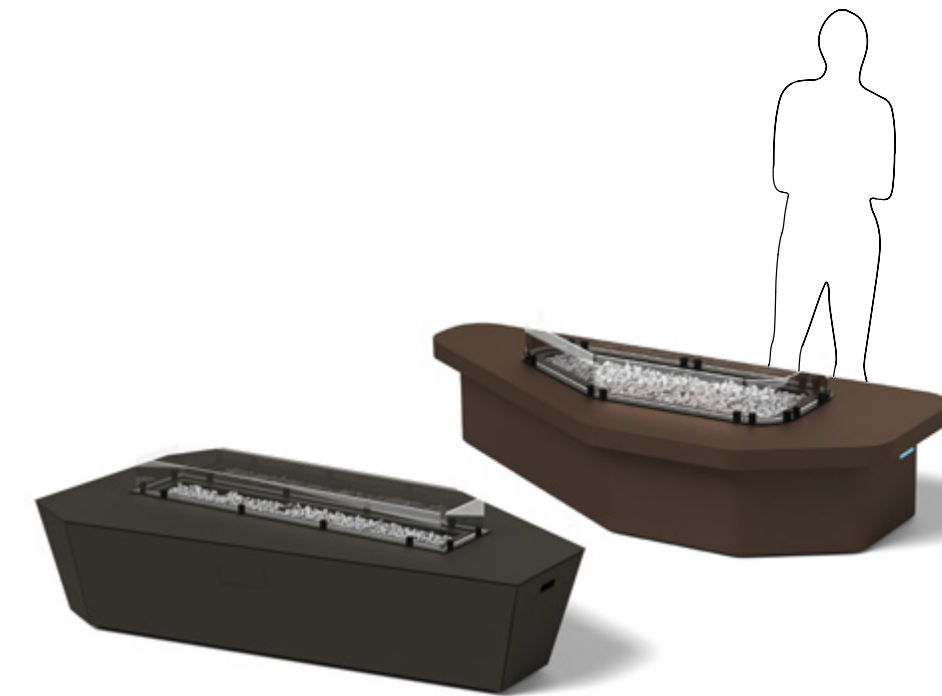

UNIQUE CUSTOM DESIGN

When imagination drives, we design.

For clients with a bold idea or signature vision, our design development team thrives on one-of-a-kind projects. From initial sketches to fabrication, we collaborate closely to bring your concept to life — geometry, materials, and texture — every detail, end to end.

What sets it apart:

- Fully original designs engineered from the ground up.
- Direct collaboration with ORE's in-house designers and fabricators.
- Seamless blend of form, function, and artistic vision.

LARGE-SCALE CUSTOMIZATION

Think bigger. Build bolder.

ORE’s modular approach allows you to increase scale to meet the needs for large communal shared spaces and large corporate or public plazas that transform entire outdoor environments. Whether it’s a plaza centerpiece or a resort landscape, we make large-scale possible — beautifully.

Why it works:

- Modular components designed to connect, scale, and adapt.
- Custom burners, configurations, and finishes for cohesive installations.
- Engineered for efficient setup, long-term performance, and show-stopping impact to suit your space.

WARRANTY

APPLICABILITY. These warranty terms (these “**Terms**”) apply to all purchases made by the buyer (“**Buyer**”) from ORE Designs, Inc. (“**ORE Designs**”). To the extent that these Terms conflict with or are different from those contained in any purchase order or other procurement documented (other than the ORE Designs, Inc. Purchase Agreement entered into by the parties (the “**Purchase Agreement**”), these Terms will control and any additional or inconsistent terms are rejected by ORE Designs. Fulfillment of Buyer’s purchase order does not constitute acceptance of any of Buyer’s terms and conditions and does not serve to modify or amend there Terms. Notwithstanding anything herein to the contrary, if a written contract signed by both parties is in existence covering the sale of the products covered hereby, the terms and conditions of said contract shall prevail to the extent they are inconsistent with these Terms. Buyer’s acceptance of or payment for products will conclusively confirm Buyer’s assent to these Terms.

RELATIONSHIP OF THE PARTIES. ORE Designs is a supplier of products only and is not a subcontractor of Buyer for any construction, installation, landscaping or other services. The products covered by these Terms (the “**Products**”) are identified on the estimate, sales order, or invoice previously provided by ORE Designs to Buyer (the “**Sales Order**”).

LIMITED WARRANTY. Both ORE Designs powder coated Aluminum and Natural Rust Steel Products have a 5 year limited warranty on their structure. The finish on the Powder Coated Aluminum Products has a 3 year limited warranty. There is no warranty on the finishes of Steel Powder Coated Products, Oxidized Zinc Products or Natural Rust Steel Products. In the event of a warranty claim, Buyer will be required to provide proof of purchase and a sales receipt verifying the date of purchase. ORE Designs may, at its option, repair or replace the defective Products to good working condition by using new or refurbished components. If repair is not possible, ORE Designs will replace or provide Buyer with a refund for the defective Products as applicable.

ORE Designs reserves the right to inspect the Products prior to replacement or repair of any Product.

THIRD-PARTY PRODUCTS. The Products provided by ORE Designs may include, constitute, contain, be contained in, incorporated into, attached to or packaged together with, products or components provided by third parties (“**Third-Party Products**”). Third-Party Products are not covered by the limited warranty set forth above. Instead, some of the Third-Party Products may be covered by warranties provided by their manufacturers and Buyer’s sole remedy is under such Third-Party warranties. For the avoidance of doubt, ORE DESIGNS MAKES NO REPRESENTATIONS OR WARRANTIES WITH RESPECT TO ANY THIRD-PARTY PRODUCT, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT, TITLE, OR FITNESS FOR A PARTICULAR PURPOSE; WHETHER OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE.

EXCLUSIONS. The warranty set forth above covers defects in manufacturing discovered while using the Products as recommended by ORE Designs. The warranty does not cover loss or theft, nor does coverage extend to any damage caused by misuse, abuse, unauthorized modification, accidental damages, scuffs or scratches, improper installation, negligence or damage caused by improper maintenance or cleaning, custom paint colors, improper storage conditions, products stored outdoors in their packaged materials, lightning, or natural disasters. The warranty does not cover parts that are subject to normal wear and tear. Damage caused by impurities or acts beyond ORE Designs control are not covered. Any Product or part that has been repaired or altered in any manner other than by ORE Designs, unless previously authorized in writing by ORE Designs, will void the warranty.

EXCEPT FOR THE LIMITED WARRANTIES SET FORTH ABOVE, ORE DESIGNS DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ALL WARRANTIES OF

MERCHANTABILITY, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE. ORE DESIGNS DOES NOT WARRANT THE ADEQUACY OF BUYER’S DESIGN OR SPECIFICATIONS OR THE INSPECTION PROTOCOL.

LIMITATION OF LIABILITY. SHOULD ANY OF THE PRODUCTS FAIL, BUYER’S SOLE RECOURSE SHALL BE THE REPAIR OR REPLACEMENT OF THE FAILED PRODUCTS AS PROVIDED IN THE ABOVE WARRANTY. IN NO EVENT SHALL ORE DESIGNS BE LIABLE FOR ANY LOST PROFITS OR REVENUES, LOSS OF USE, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, COVER OR PUNITIVE DAMAGES, HOWEVER CAUSED, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, AND WHETHER OR NOT ORE DESIGNS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ORE DESIGNS CUMULATIVE LIABILITY FOR DAMAGES UNDER THESE TERMS, FOR ANY CAUSE WHATSOEVER, AND REGARDLESS OF THE FORM OF THE ACTION, IS LIMITED TO THE AMOUNT PAID BY BUYER FOR THE PRODUCTS, EXCLUDING SHIPPING AND HANDLING CHARGES, DUTIES AND TAXES.

Insurance. ORE Designs maintains the following insurance: (i) commercial general liability insurance with coverage of at least\$1 million dollars per occurrence and\$2 million dollars in the annual aggregate; and (b) umbrella liability insurance with a minimum limit of\$10 million dollars each occurrence and minimum aggregate amount of\$10 million dollars, with financially sound and reputable insurers. Upon Buyer’s request, ORE Designs shall provide Buyer with a certificate of insurance evidencing the insurance coverage specified in these Terms and naming Buyer as an additional insured.

DISPUTE RESOLUTION. These Terms and the Purchase Agreement shall be exclusively governed by the internal laws of the State of Utah, without regard to its conflicts of laws rules. Legal action may be brought only in the state and federal courts located in Salt Lake City, Utah, and Buyer consents to the jurisdiction of, and venue in such courts.

A modern outdoor patio scene featuring a large, dark grey cylindrical fire pit with a fire burning inside. Two contemporary armchairs with light-colored cushions and dark frames are positioned on either side of the fire pit. The patio is made of wide wooden planks. In the background, there is a building with dark grey horizontal siding and a large window reflecting the interior. To the left of the window is a large wooden barn door with a dark metal sliding mechanism. The scene is set in a wooded area with trees visible in the background.
